

# Jacob's Journey...

Anita O'Donnell teaches a Bible study that has already journeyed through the Old Testament and is now in the New Testament studying the letters of the great apostle Paul who knew Christ and then turned the world upside down making Him known.

**Mondays 1:00 pm - Luther Hall**

***JACOB'S JOURNEY*** by Anita O'Donnell will be resuming Monday at 1 PM in Luther Hall on Monday, Jan. 6th. We would like to invite all the new members of our congregation and everyone else who has not tried our wonderful Bible Study yet. Our journey has taken us through the Old Testament and into the New where we are now finishing up the Book of Acts. In a short time we will be studying the letters of the great apostle Paul who was responsible for the birth and growth of many churches in the early years after the Resurrection of Christ. His conversion and subsequent mission to get the Word of God out to the pagan nations is still a challenge to us today. His zeal should be our zeal, to "Know Christ and to make Him Known." Come and learn from this man of God who knew Christ and then turned the world upside down making Him known. Mark your calendar and meet us at 1PM in Luther Hall on Mondays starting the 6th of January
