

SOS FOOD MINISTRY: Hope participates in the Serving Our Savior Food Bank located at Good Shepherd Lutheran Church. Our congregation joins with the congregations of Good Shepherd Lutheran Church, Shepherd in the Hills Episcopal Church, House of Power, Unity of Citrus County, and House of Peace in this important Citrus County ministry to the poor and hungry. Congregation members collect food weekly and participate in food distribution at the food bank each Thursday morning. Unemployment and the financial outlook for many people is still a very big factor in our community. SOS (Serving Our Savior) is an outpost for many of our citizens here in Citrus County. During the last two weeks before Christmas, we fed over 190 of our down and out families. Our Church along with 6 other churches is involved in the pantry which serves many families on food stamps and provides not only food, but personal items – toilet paper, deodorant, shampoo, toothpaste and brushes, which cannot be purchased with food stamps.
