

Call Committee waiting for names from Synod

The Hope Call Committee passed the last hurdle in the process to receive names of pastor candidates from the synod with flying colors last week as they nailed the mock interview. The Council who were observers praised the questions and the method of questioning and the Pastor Anna, Dean also said she would pass on to the Synod that Hope was ready to receive names. Bishop assistant Deacon Connie said she is working on compiling the names right now.

The committee is to be recognized for its dedication and commitment to getting the right new pastor for Hope.
