

Call committee recommends primary candidate to Council

Hope's Call committee has recommended to Hope's Council a primary candidate to be called as new Pastor at Hope. The council will have to hold a special meeting to review Hope's ministry site plan and the possible pastors ministry profile and determine if they would like to interview the candidate. Once the candidate is interviewed and called by the council, he will be presented to the congregation at a special congregational meeting for approval.

Many are excited that Hope's call process has progressed this far and are looking forward to seeing if "this is the one!"
