"To Know Christ and to Make Him Known"

Abundant Grace

Have you ever considered the abundance in nature? One oak tree produces enough acorns to seed an entire forest. One hen lays enough eggs in a lifetime to reproduce herself many times over. One kernel of corn produces a whole ear, and one dandelion has enough seed to cover my land and that of my neighbors with a yellow blanket.

Why all of this abundance?

First, it is God's nature to provide things in abundance,. For example, He gives life abundantly" (John 10:10). He is "abundant in goodness" (Exodus 34:6) and he has "abundant mercy" (1 Peter 1:3).

Second, God gives abundance to assure there is enough. Not all seed will fall upon good ground. Under the thousands of acorns under an oak tree, only a few will actually be buried, sprout, and produce a tree.

And third, the abundance provides something to share. Much of our food comes as a result of more than enough seed to reproduce the plant animal. It is out of abundance in nature that we

get most of our food, shelter, and clothing.

God's grace is like that. He Citrus Springs Florida provides it in abundance because it it's His nature "Where sin do so increased, grace abounded all the more"(Romans 5: 20).

Also, God knew some of His grace would be "wasted". We sinful are such creatures that God must provide more grace than we com deserve to cover our needs. His "unmerited favor" supplied whether appropriate or not.

And too, God gives abundant grace so that it can spill over to those around us. The grace He gives to us should be felt by our world.

"If, because of one man's trespass, death reigned through one man, much more will those who receive the abundance of grace....reign in Inside this issue: life through the one man Jesus Christ" (Romans 5:17).

"Abundant Grace" was found on the back of a bulletin from the year 1984.

Dealing with Our "Bumps"

As our activities for mission pick up and we go through changes and readjustments, there are bound to be some mistakes, unintended "bumps" or "stepping on one another's toes." In any and all human organizations there is bound to be some conflicts and hurt feelings, How are we, as disciples of Christ to handle these experiences?

Some methods won't work at all, they will just "fan the flames", polarize and divide the community of Christ, and increase the discomfort. Grousing to others, grumbling about others, holding grudges, and pridefully holding onto our right to be right and the absolute wrongness of the other person does little to settle these things and only increases the "volume" of the conflict.

Fortunately Jesus has provided us with guidance in Matthew 18: 15-20. He talks about a process of communicating with one whom you have hurt or conflict first. Then if your interaction does not improve, enlist the help of other caring brothers and sisters in Christ to relieve the tension. heal the

wounds, or resolve the issue. If it still doesn't resolve then come to the leadership, share it in committee for the discussion (and hopefully resolution), and finally if all else failsdrop it, leave it alone, put some distance between you and them ("let them be as a Gentile").'

Remember Jesus came for all with forgiveness. Don't continue the hard feelings, judgement of others, and on beloved grudges, remember instead that Jesus appointed us to be a community in him- "For where two or three are gathered in my name, I am among them." He sees our efforts of healing and forgiveness and blesses us in this endeavor.

Operation Christmas Child

There have been a lot of great sales at Walmart and other stores recently. Be sure to check out "after Easter sales" at all the local stores: Walmart, CVS and Walgreen's, Dollar General and Family Dollar.

We need to fill shoeboxes for children- ages 2 to 4, 5-9, and 10-14. Clothing, toys, and jewelry are some examples.

Small stuffed animals are always a treat for children of any age. Or if you don't like to shop, donate \$\$.

You can write a check to Hope and designate it for Operation Christmas Child or I will shop for you.

Thank you for your generosity!

Sincerely,
Carole Warden

8. Report of the Treasurer

- a. Questions/concerns Diane went over the financials. She advised all bills have been paid, and all 1099s have been mailed. She said if anyone wanted to meet with her so they might better understand the financials she would be happy to go over the financials with them.
 - b. Accepted -There being no questions, the financials will be filed for audit.

9. Report of Pastor

We will be forming a Scout Sunday school class on Sunday morning. This class will be led by John Chiappetta. We will also need to look into dividing the children into age appropriate Sunday school classes and we have a volunteer who has agreed to lead this class. Since we only have one child of confirmation age, a confirmation class will not be started until we have more children. 10. Reports of Council Liaison

 Outreach Committee (Liaison - -) Since Renata is no longer on the council the report was given by Julia. Said how pleased we were with the dinners we gave for the Scouts. Was a little disappointed that more people from the congregation did not show up to support the Scouts. We will be having a Blueberry festival again this year. Michel will be checking with the Blueberry farms to see when they think the Blueberries may be coming in and a date will be set after that. Discussed more guest parking spaces as well as welcome packets for people visiting our church.
2. Finance Committee (Liaison -Hans) - There was no meeting

Worship Committee (Liaison - Harold) - There was no meeting
 Digital Committee (Liaison - Steve) - Vic ran the train

Vic ran the training session due to Steve's absence. The people

attending the class learned about the clicker and the computers in the church that run the screens we use during service.

5. Long Range Planning (Liaison - Casey) - There was a discussion about the Narthex and what it should be used for and what should be in the Narthex. The next council will take this up, do some research and come up with a plan to unclutter our Narthex.

Directory: Since our directory has so many errors in it, we will be setting up our own directory. We will be putting a sheet in the Bulletin for each member of the church to fill out and return. This sheet will include names, addresses, phone numbers (both landline and cell), e-mail addresses and a short bio. As soon as we get the sheets returned, a new directory will be made up.

Youth Outreach: Recommended to the Outreach committee that they look into perhaps sponsoring a little league team such as baseball, football or a cheerleading squad at the nearby ball park and offer it to the leadership of those youth organiza-

tions. This may include something as simple as getting t-shirts with our name on the back.

Building Permit Mailings: Would like to start sending out mailings to new residents in Citrus County. We need to get a liaison from the council who would be willing to attend the Citrus Springs Civic Association meetings once a month. Diane told us that she has been doing these mailing to new people who move into Rainbow Springs for some time.

Social Ministry Committee: Recommended that a Social Ministry Committee be created. This Committee would

attend to the internal ministry of our members as we should take care of our own as a fellowship in Christ Church.

Marketing Plan: Long Range Planning is recommending that Hope set up a marketing plan. There are a few steps in

setting a plan up, some of those being defining your target market; learning the market, identify your competition, plan your strategy and evaluate your plan. Long Range Planning will continue to work on this plan.

Financial Best Practices: A Financial Best Practices workshop will be set up in conjunction with the Synod. We will try to set this workshop up on a Saturday from 10:00 to 2:00 with lunch being served. Diane has agreed to be in charge of the lunch. Michelle Hilton, Assistant to the Bishop will explain Best Practices in all administration areas, finance, insurance, personnel etc. This workshop should be attended by all council members and anyone in our congregation who handles money. Any other congregational member that wishes to attend will be welcome.

Revitalization Process: Long Range Planning committee voted unanimously to start the process by downloading the short Revitalization Survey. We would order the Congregational Vitality Survey from the Synod. These surveys will be passed out on two consecutive Saturday and Sunday services in order to get 100% participation from the congregation. John Mocko, Interim Director for Evangelical Missions would come to Hope to interpret the results in light of our congregations answers and to talk about the elements of the vitality process.

6. Property (Liaison - Vic) - Vic went over all of the many things the Property Committee has taken care of and advised that the Scouts came and helped clean up the grounds. They also cleaned out the BBQ hut. The shed where all of the mowing equipment is stored has been cleaned out and now things are much easier to find. Vic applied to Thrivent for money to be used to replace light bulbs to LED lights and his request was granted. We are still trying to get the leak in the boy's bathroom in Luther Hall

Minutes (cont.)

fixed. AAA Roofing has been contacted and will be looking into it again.

7. Call Committee (Liaison - Harold) -Harold advised that the Call Committee had interviewed two perspective candidates and are now in the process of getting two people to go listen to them preach.

Old Business

a. Calendar - We once again had a discussion regarding the church calendar. We need to develop a plan where everyone will need to get their activity on the calendar if they intend to use the facilities. If you have not been approved to use a room and are not on the calendar, you will not have the room. We are still having many problems with people showing up to use the facilities that no one knows are coming and these people are interrupting the people who have the facility booked. The new council will work on setting up a virtual calendar where everyone will have to go through the same person to book the facility for their events. This includes activities given by our own members.

b. Guest parking spaces - Steve has looked into guest parking spaces. We are required to have 3 handicap spaces so some of the handicap spaces will be converted into guest parking places along with some other spaces closest to the church.

12. New Business

a. Election of Officers:

Steve advised that due to an error we have elected to many council members. One council members term had expired. That member had said they wanted to run again however, they were not on the ballot. There should be 11 council members and the Pastor. One of the council members will be moving so they have tendered their resignation. The resignation was accepted and the member who had expressed an interest in staying on the council will serve out the one-year term of the council member who resigned. A motion was made and seconded to accept this arrangement. Motion passed unanimously.

There was a motion made to nominate Julia Southard for President. Motion was seconded and passed unanimously.

There was a motion made from the floor to nominate Meredith Press. Motion was seconded and passed unanimously. Ballots were cast and counted. After ballots were counted Julia Southard was elected President. Larry Casper was then nominated for Vice-President. There being no more nominations, Larry agreed to be Vice President. Motion made and seconded to elect Larry as Vice-President. Motion passed unanimously. After explaining that the secretary's job required some computer knowledge several people said they did not have the computer knowledge to do the job. Steve Northsea was then nominated for Secretary. There being no more nominations a motion was made and seconded that Steve be Secretary. Motion passed unanimously. Diane Kahler was asked if she would remain as Treasurer and she agreed. Steve Northsea was then asked if he thought Michel would agree to remain as Financial Secretary. Steve said he thought she would agree to do so and so Michel was then appointed Financial Secretary.

we still have heard nothing. Another letter will be sent stating we understand their circumstances and they will be relieved of their duties. They will be advised that If their schedule slows down and they want to come back they will be welcome. A motion was made and seconded to remove this member at this time. Motion passed unanimously.

b. Ministry Spending Plan - The Ministry Spending Plan was reviewed again and the budget amount of four items has been lowered. The council members all agreed with the revised figures.

12. New Business

a. Microphone - Some of the microphones need to be replaced. Harold has checked with various carriers regarding costs. The Pastor's microphone also needs to be replaced as it is on B Band. The government has sold B Band and it is now used for First Responder, fire, etc. The microphone gets a lot of feed-back from those areas. After a discussion, it was decided that one of the microphones and the Pastor's microphone will be replaced and that we will put it out to the congregation as a wish list. We will also look into paying for the microphones out of memorial money. Harold will get a price on what it would cost to replace the Pastor's microphone.

b. Guest parking signs - A discussion was held regarding the lack of guest parking places. With more and more guest coming to our services this will be looked into. At one time, John was to look into this so we will talk with John to see what he has

found out and then it will be turned over to the Outreach Committee.

Sanctuary Photos

To maintain the focus on the sanctuary for our members and visitors who are attending any of our services or special events such as Baptism or Confirmations, we ask that all photos or movies are taken from the back of the church or from where you seated.

Unfortunately moving around or standing up when taking photos distracts those that are here to attend the service.

We appreciate your considerations in this matter.

Wishes for the Springtime

May there always be work for your hands to do.

May your purse always hold a coin or two.

May the sun always shine on your windowpane.

May a rainbow be certain to follow each rain.

May the hand of a friend always be near you.

May God fill your heart with gladness to cheer you.

Dear Abby

Did You Ever Wonder?

DID YOU EVER WONDER...Where "Jesus Loves Me" came from" ...?

Anna and Susan Warner lived in a lovely townhouse in New York City where their father, Henry Whitting Warner was a successful lawyer. But the "Panic of 1837" wrecked the family's finances, forcing them to move into a ramshackle Revolutionary War-era home on Constitution Island on the Hudson, right across from the Military Academy at West Point.

Needing to contribute to the family income, Anna and Susan began writing poems and stories for publication. Anna wrote "Robinson Crusoe's Farmyard and Susan wrote "The Wide, Wide World." The girls thus launched parallel literary careers which resulted in 106 publications. 18 of them co-authored.

One of their most successful joint projects was a novel titled Say and Seal in which a little boy named Johnny Fox is dying. His Sunday School teacher, John Linden, comforts him by taking him in his arms, rocking him, and making up a little song, "Jesus love me, this I know, for the Bible tells me so...:

The novel became a best seller, second only to *Uncle Tom's Cabin* and when hymn writer William Bradbury read the words of John Linden's little song (written to Anna) he composed a childlike musical score to go along with them *Jesus Loves Me* soon became the best-known children's hymn on earth.

Despite their success, the Warner sisters never seemed able to recover from the staggering financial reverses of 1836. Years later a friend wrote "One day when sitting with Miss Anna in the old living room she took from one of the cases- a shell so delicate that it looked like lace and holding it in her hand with eyes dimmed with tears, she said, "There was a time when I was very perplexed, bills were unpaid, necessities must be had and someone sent me this exquisite thing. As I held it I realized that if God could make this beautiful home for a little creature. He would take care of me."

For forty years, Susan and Anna conducted Bible classes for cadets at West Point and both were buried with full military honors. They are the only civilians buried in the military cemetery at West Point. To this day their home on Constitution Island is maintained by West Point as a museum to their memory.

The Narthex

I am sure you have all noticed by now that our Narthex has been cleaned up, and uncluttered for easier access into and out of the sanctuary. Our Narthex committee has worked very hard to make our Narthex a more pleasing area not only for us as members but also for any guests visiting our church.

WHAT IS THE NARTHEX: The Narthex is a place for the congregational members to enter and gather together in preparation for worship. It is a place where people can arrive, interact and transition from the outside world into a spiritual place. In the modern ministries, a central gathering space functions when the members of the congregation are not drawn from small, close-knit neighborhoods. The Narthex needs access to support spaces such as bathrooms, nurseries and in our case Luther Hall. It should be a space to learn about the other activities that the church provides since the life of a modern faith community extends far beyond Sunday mornings. The Narthex is the ideal place to display and celebrate the diversity of our ministry activities. It is a great location for posters or personal recruiting for forthcoming events or service activities. Finally, it should be a place to transition from the distractions of modern life in order to focus on the spiritual life.

The Narthex is much more than just a big empty space. Though some social activities may be important, an effective Narthex isn't a bank lobby, a nursery, a waiting room or a coffee shop. Therefore, we are asking that after you have said your hellos, you move into the sanctuary to prepare for the service and not linger in the Narthex. When we all stand in the Narthex it is hard for other people and our guests to get into the sanctuary, for the choir to line up to proceed into the church and for the ushers to make sure everyone has a bulletin or other pertinent information they may need for the service. It is also a disruption to the people who have already entered the church to prepare for worship. Once you have entered the sanctuary, we would ask that you sit in silence so that your brothers and sisters in Christ may prepare their minds and bodies for worship. Please keep in mind that the sanctuary is not a place to catch up on what happened over the week or to trade recipes, that is what Luther Hall is for and should be done after worship.

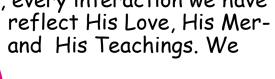

We thank you for your cooperation in this matter.
